Rev. 1 of 27/07/2020

## READY-FOR-USE BRODIFACOUM-BASED RODENTICIDE BAIT IN FORM OF FRESH PASTE - FOR PROFESSIONAL AND NON-PROFESSIONAL USE -

### COMPOSITION

Pure Brodifacoum (No. CAS 56073-10-0) gr. 0,0025  
Denatonium Benzoate (No. CAS 3734-33-6) gr. 0,001  
Palatable substances and co-formulants. quantum satis for gr. 100

### CHARACTERISTICS

**BRORAT PASTA 25** is a ready-for-use rodenticide bait with at its base the anticoagulant active substance known as Brodifacoum, which is effective against House Mouse (*Mus musculus*), Grey Rat (*Rattus norvegicus*), and Black Rat (*Rattus rattus*) even after a single ingestion. Its formulation consists of a "fresh paste" that is attractive for the rodents' species mentioned above, which is packaged in ready-for-use food wrapping paper of 10 g or 20 g each. The product does arouse neither alarm nor suspicion among the members of the rodents' population. **BRORAT PASTA 25** contains a bitter substance aimed at preventing children from swallowing it accidentally.

**BRORAT PASTA 25 for professional use** can be used inside and around industrial buildings (including storehouses, warehouses, and ship holds) rural and civil buildings, houses, basements, garages, storerooms, and appurtenant gardens. **BRORAT PASTA 25 for non-professional use** can be used inside and around buildings such as houses, basements, garages, storerooms, and private gardens.

### APPLICATION MODES

**BRORAT PASTA 25** is a ready-for-use bait in form of fresh paste to be used exclusively in tampering-proof duly marked bait containers, protected against atmospheric agents, the ingestion by non-target species and the dispersion into the environment.

### DOSES OF USE

Use inside, outside and around buildings:

- To control the House Mouse (*Mus musculus*): place 20-40 g of **BRORAT PASTA 25** per container, equal to 1-2 baits in ready-for use fresh paste of 20 grams each or equal to 2-4 baits in ready-for-use fresh paste of 10 grams each.
- To control the Grey Rat (*Rattus norvegicus*): place 100-200 g of **BRORAT PASTA 25** per container, equal to 5-10 baits in ready-for-use fresh paste of 20 grams each or equal to 10-20 baits in ready-for-use fresh paste of 10 grams each.

Should more containers be necessary, place them at a distance from one another of about 5-20 metres and in any case at a distance not less than 5 metres.

### LABELLING

### HAZARD STATEMENTS

**H373** Causes damage to organs (BLOOD) through prolonged or repeated exposure.

### PRECAUTIONARY STATEMENTS

**P102** Keep out of reach of children. **P301+ P310** IF SWALLOWED: Immediately call a POISON CENTRE or doctor/physician. **P308 + P313** IF exposed or concerned, get medical advice. **P501** Dispose of contents/containers in accordance with national regulations in force.
